Striped Bass Biting in Jamaica Bay.

SI Ruland of the Vigilant Yacht Club whose headquarters are at the Raint, fished the first of the sbb tide yesterday morning in Heil Gate, Jamaica Bay, and on twenty four cotton thread, the hook balted with bloodworms, trolling, he took four striped bass averaging three pounds each.

Mr. Ruland remarked: "At the float they took me that striped bass averaging three pounds each.

Mr. Ruland remarked: "At the float they took me that striped bass were bringing sixty cents a pound. Striped base fishing has been poor for the past three weeks in Jamaica Hay, and the same has been true of weakfishing. Jamaica Bay purges in August, and usually every year for two or three weeks the fishing is poor. My catch this morning would indicate that the fish are ready to take the angler's hook."
